When Mr. Doyle, who attempted to seize the garbage disposal plant site on Lake Island, was about to be tried by a city magistrate yesterday on a charge of obstructing navigation, made by Mitchel supporters, he appealed to County Judge Tiernan for a hearing before the grand jury.

The grand jury is made up of Staten Island residents, and District Attorney Fach is a Staten Islander. Notwithstanding that, Mr. Fach before Justice Tiernan opposed Doyle's plea. His opposition was unsuccessful, and Doyle's case will go to the grand jury.
